Society

Equipment Loan Scheme (Appendix B – Charges)

This change provides clarity on the current size of vats we can provide under this scheme, alongside updating costs which are some 10 years out of date.

- Limit scheme to 2.5 metre vats and move to a single vat hire cost (3.5% of value)
- *Show Koi* new vat cost; 2.5 metre £1,196 / 3 metre £1,404 (excl. VAT)
- No UK manufacturers of 2.8 metre vats in the existing Society colour, cost prohibitive to replace entire stock, or move to 3 metre vats
- The Society will honour 2023's existing section show equipment loan arrangements, reviewing charges and equipment availability annually

Modification to **Appendix B** post 2023's AGM.

Proposal	Maximum of 15 Vats (2.5 metre)		
	Single vat (rings, legs, and splash screen) - £40		
	Refundable Deposit - £500		
	<i>*Loaned equipment remains the responsibility of the Section, equipment must be insured using replacement values (e.g. 15 vat replacement cost £17,940)</i>		
	<i>**Replacement values will be used should any loss or damage occur, and proof of insurance must be provided</i>
